

A 7-Day COVID-19 Prayer Guide

from Christian Medical & Dental Associations

"Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus."

—Philippians 4:6-7, ESV

1

PRAY FOR THE HEALTHCARE WORKERS

Our healthcare colleagues are on the frontlines treating those who are sick, so pray for the Lord to protect them, to strengthen them and to offer them peace in the midst of the global pandemic.

"Heal the sick, raise the dead, cleanse the lepers, cast out demons. Freely you received, freely give" (Matthew 10:8, NASB).

2

PRAY FOR THE SICK

Pray for those who are sick, that the Ultimate Healer will heal and comfort them. Pray for their physical and spiritual healing, so that they may live life and life abundantly. Also pray for their families.

"I will give you back your health and heal your wounds," says the Lord" (Jeremiah 30:17a, NLT).

3

PRAY FOR OUR LEADERS

This is a time of uncertainty for our world, so pray for our national and local leaders, that they would call upon the Lord for guidance and wisdom to do what is best for our communities and our nation.

"First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all people, for kings and all who are in high positions..." (1 Timothy 2:1-2, ESV).

4

PRAY FOR THE STUDENTS

The virus is impacting the future for healthcare students and residents around the country, as well as their current training. Pray for guidance and peace as they learn in the midst of the pandemic.

"Peace I leave with you; my peace I give to you. Not as the world gives do I give to you. Let not your hearts be troubled, neither let them be afraid" (John 14:27, ESV).

5

PRAY FOR OUR FAMILIES

Pray for the families of our healthcare colleagues, as they send them off to fight the virus each day. And pray for those families that have been separated to keep from infecting others due to their work.

"The Lord hears his people when they call to him for help. He rescues them from all their troubles. The Lord is close to the brokenhearted; he rescues those whose spirits are crushed" (Psalm 34:17-18, NLT).

6

PRAY FOR OUR MISSIONARIES

Long-term healthcare missionaries are still working in countries around the globe, so pray for the Lord to protect them from the virus and give them rest amidst an overloaded work schedule.

"Don't be afraid, for I am with you. Don't be discouraged, for I am your God. I will strengthen you and help you. I will hold you up with my victorious right hand" (Isaiah 41:10, NLT).

7

PRAY FOR OUR CHURCHES

Pray for guidance for our churches and ministry leaders as they navigate new ways of sharing the love of Christ through live streaming and the internet in this unprecedented time of social distancing.

"And we know that for those who love God all things work together for good, for those who are called according to his purpose" (Romans 8:28, ESV).
